Racers may side-slip the course, but not ski through any gates prior to the race. The competition will begin PROMPTLY at 6:30 p.m.

The running order will be by team and will alternate each week. Each racer will be assigned a bib number and will keep the same bib number for the entire season. Each night's racing will consist of two runs per individual.

Scoring will be based on a handicapped system with a Sugar Mountain ski school instructor or race team coach acting as the "0" time or "pacesetter." Each competitor will receive a time based on their age and sex. Each racer will receive points as follows:

- 5 FOR **PLATINUM**
- 4 FOR **GOLD**
- 3 FOR **SILVER**
- 2 FOR **BRONZE**
- 1 FOR **PARTICIPATION**

The total number of points for the top four individual racers per team will count towards the team's total score each night. Team scores will be tallied and posted each night in Sugar Mountain's Last Run Lounge, and individual and team performances will be listed each week in the *High Country Press*.
